Mr. Cliff N. Biggers, Director
RACE RELATIONS RESEARCH
745 South Sixth Street
Coshocton, OH 43812

Dear Cliff,

I would like to take this opportunity to thank you for assisting our staff with Cultural Diversity Training. The information you presented was extremely informative and it was well received by those in attendance. I still have staff discussing the training, which tells me that your presentation was outstanding.

Cultural Diversity can be a complicated topic to present; but you were able to break down barriers and offer staff new ways to understand others. Your material was presented in a non-threatening manner, which allowed staff to openly consider other options when discussing these topics.

Your Race Relations Game was definitely a hit with staff. It is amazing to think Cultural Diversity Training can actually be fun. The questions made us think, but most of all it gave everyone a chance to dialogue.

Again, thank you for the enlightening training. I hope to have you return to our facility next year and I will certainly inform other agencies of the worthwhile training you provide. I would also like to entertain the notion of providing this training to our residents.

Sincerely,
